658 students (652 science / 6 access) which is about 5 more than last year

Annie is working with a variety of classes on surveys (4-9 doing our school survey on wellbeing) (5,6,8,9 do CBE survey in next calendar year and will start K-3 this year. Grades 4,7,10 do the Alberta Assurance Education survey.

School development plan focus is on task design and this year engagement and accessibility issues.

Intervention team is in place that will work with students who are identified as at risk in literacy and math to provide additional supports. Assessments are done to allow for targeted supports to allow students to catch up in areas that are needed.

Teachers will also be working with students and parents for students with IPP's.

Overnight field studies – 5 & 7 go to Camp Chief Hector, 6 to Tyrell Museum, and 8 go to U of C to biogeoscience institute, 9 go camping with an optional sailing trip around Salt Spring Island.

This is the first time in years the YMCA will not cover 70% of the fees and may look to School Council to help support students with financial barriers.

Potential of a teachers strike that is set to start on October 6 unless ATA and Government of Alberta can come to an agreement. If a strike occurs, the school will be closed.
